A LEGACY THAT GUIDES US FORWARD

As we enter a new year of service and growth, we remember with deep gratitude Shri Arvind N. Mafatlal — our Founder Chairman — who, with the blessings of Gurudev, helped lay the foundation of this Trust and led it for many years alongside other devoted disciples.

A visionary industrialist deeply anchored in faith, Shri Arvind Bhai dedicated his life to transforming prosperity into purposeful service. His quiet leadership, humility and commitment to humanity remain a guiding light for all who continue this mission.

As we expand our reach and deepen our impact, may his life remind us to serve selflessly, act with integrity and stay true to the vision he upheld with unwavering devotion.

“Service to humanity is the truest expression of devotion”

Shri Arvind N. Mafatlal

VISHAD P. MAFATLAL
CHAIRMAN
SHRI SADGURU SEVA SANGH TRUST

CHAIRMAN'S FOREWORD

Jai Gurudev!

Warm greetings from the Sadguru family,

It gives me immense pride to present the 2024–2025 Annual Activity Report of Shri Sadguru Seva Sangh Trust. This report is not merely a compilation of facts and figures—it is a living testament to the unwavering spirit of Seva that continues to guide every aspect of our work.

Guided by the eternal vision of Param Puja Shri Ranchhoddas Ji Maharaj and the legacy of our beloved Founder Chairman, Late Shri Arvind N. Mafatlal, we have remained deeply committed to our mission: Food for the Hungry, Clothes for the Destitute and Sight for the Blind. This year, our teams have once again served some of the most underserved communities in rural India with dedication and compassion.

We are especially proud to celebrate the recognition of Dr. Budhendra Kumar Jain, Director and Trustee, who was conferred with the Padma Shri by the Government of India. This national honour is a fitting tribute to his lifelong service and pioneering contributions to the field of rural eye care. His example continues to inspire us all.

Over the past year, we have continued to strengthen and scale our efforts across diverse domains including eye care, general healthcare, education, women's empowerment, sustainable agriculture and cattle welfare. One of the most transformative developments this year has been the foundation of our upcoming tertiary eye care hospital—Sadguru Netra Chikitsalaya, Kashi—envisioned to bring high-quality, permanent eye health services to the underserved populations of Eastern Uttar Pradesh.

Our growing emphasis on digital innovation and inclusive leadership, with a focus on empowering women at the grassroots level, has brought renewed momentum to our mission.

As we look toward the future, we do so with humility, conviction and a sense of shared responsibility. The challenges before us are real, but so too is our collective determination to overcome them—with compassion, integrity and purpose.

With sincere gratitude,

Vishad P. Mafatlal
Chairman, Shri Sadguru Seva Sangh Trust

A Vision of Service: Shri Sadguru Seva Sangh Trust at Mahakumbh, Prayagraj

Collaborating for Sight and Service: Participation in Netra Kumbh

During the spiritually historic Mahakumbh at Prayagraj, Shri Sadguru Seva Sangh Trust participated in the Netra Kumbh initiative—a large-scale, inclusive eye care mission led by Saksham and its partner organisations. The initiative aimed to serve pilgrims and individuals with vision impairment during the sacred congregation.

As part of the Netra Kumbh, the Trust was entrusted with managing one of the screening clusters. A dedicated team of over 25 professionals, including ophthalmologists, optometrists, vision technicians and field coordinators were deployed. The cluster was equipped with advanced diagnostic tools, including slit lamps and fundus imaging systems, enabling high-quality screening and diagnosis on-site.

In addition to our participation in the Netra Kumbh initiative, Shri Sadguru Seva Sangh Trust also independently organised outreach eye care camps in high-footfall areas around the Kumbh Mela, including Nirmohi Akhara, Ranchhoddas Nagar and Ramayani Kuti. These camps extended our mission of restoring sight and dignity to the underserved, far beyond our assigned cluster.

Together, through both collaborative and independent efforts, the Trust provided the following services during the Mahakumbh:

Service Overview

37,613

Individuals received eye examinations

31,457

Received free spectacles

1,634

were referred for further treatment

These compassionate initiatives were made possible through the collaboration of Saksham, Shrimad Rajchandra Love and Care and other partners—reflecting a shared commitment to restoring sight as an act of service.

In the Light of Gurudev's Vision

DR. B.K. JAIN

Conferred with

PADMA SHRI

It is with immense pride and heartfelt joy that we share that Dr. Budhendra Kumar Jain, Director and Trustee of Shri Sadguru Seva Sangh Trust, was conferred with the Padma Shri—one of India's highest civilian honours—by the Government of India on 25th January 2025.

This prestigious civilian honour-among the highest national recognitions-has been awarded in acknowledgment of his distinguished service in the field of medicine, with a particular focus on rural eye care.

“Fifty years of selfless action—this Padma Shri is a tribute to Dr. B.K. Jain's unwavering commitment to Gurudev's vision and service to humanity.”

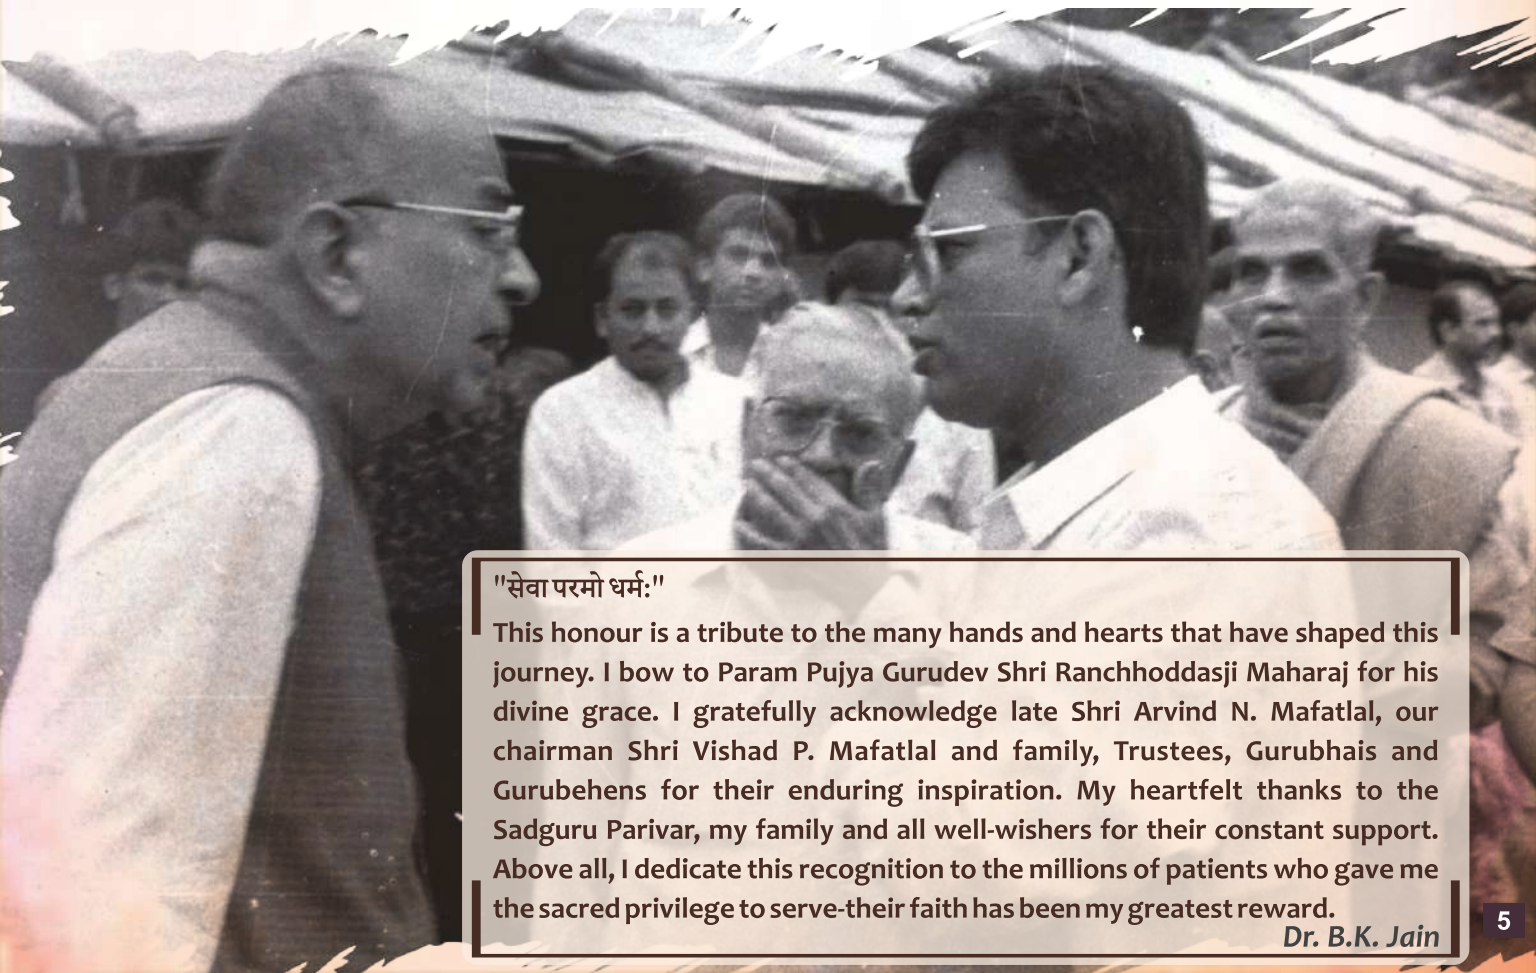

Shri Vishad P. Mafatlal

Chairman, Shri Sadguru Seva Sangh Trust

Dr. Jain's lifelong dedication to the vision of Param Pujya Gurudev Shri Ranchhoddasji Maharaj and the founding ideals of Late Shri Arvind N. Mafatlal has inspired generations of healthcare professionals, social workers and institutional leaders across India and beyond.

This national honour is a shared recognition of the collective spirit of Seva that defines the mission of Shri Sadguru Seva Sangh Trust. It is a moment of both joy and humility—not only for Dr. Jain and the Trust, but also for every volunteer, trustee, Gurubhai, Gurubehen, partner and team member who has walked this sacred path with unwavering dedication.

"सेवा परमो धर्मः"

This honour is a tribute to the many hands and hearts that have shaped this journey. I bow to Param Pujya Gurudev Shri Ranchhoddasji Maharaj for his divine grace. I gratefully acknowledge late Shri Arvind N. Mafatlal, our chairman Shri Vishad P. Mafatlal and family, Trustees, Gurubhais and Gurubehens for their enduring inspiration. My heartfelt thanks to the Sadguru Parivar, my family and all well-wishers for their constant support. Above all, I dedicate this recognition to the millions of patients who gave me the sacred privilege to serve—their faith has been my greatest reward.

Dr. B.K. Jain

"SWASTH DRISHTI - SAMRIDDH KASHI" FROM VISION TO IMPACT

A Community - Driven Eye Health Movement, Inspired by a National Vision

The Swasth Drishti – Samriddh Kashi Abhiyan was launched by Shri Sadguru Seva Sangh Trust in response to the clarion call of the Hon'ble Prime Minister of India to make Varanasi a model for accessible, inclusive and cataract blindness-free eye care.

Deeply inspired by this national vision, the Trust initiated a district-wide campaign focused on eliminating avoidable blindness due to cataract and improving access to quality eye care across the sacred geography of Kashi and its surrounding districts.

Rooted in Sadguru's longstanding ethos of rural service, the initiative was implemented in close coordination with the government health system, including active involvement of ASHAs, Anganwadi workers and local administrative bodies. The campaign featured door-to-door screening of all individuals aged 50 and above, awareness generation activities targeting all age groups and primary eye screening camps conducted in partnership with government health facilities. Surgical referrals were made to Sadguru Netra Chikitsalaya, Chitrakoot and nearby government hospitals in Varanasi.

Transforming Vision Across Varanasi: Impact Snapshot

- **7,02,253+ individuals aged 50+ and above** screened through door-to-door outreach
- **14,200+ cataract surgeries** conducted at Sadguru Netra Chikitsalaya, Chitrakoot
- **59,055+ spectacles distributed** to restore vision, enhance quality of life and support livelihoods
- **Extensive school screenings and sectoral outreach** carried out to promote early detection among children and working adults across Varanasi

Sadguru Netra Chikitsalaya, Kashi: A Promise for Generations

3D Model of Sadguru Netra Chikitsalaya, Kashi
A vision taking shape - building sight and hope for Purvanchal.

The Swasth Drishti – Samriddh Kashi Abhiyan has laid the foundation for a transformative new chapter in Sadguru’s journey: the establishment of **Sadguru Netra Chikitsalaya, Kashi**, a state-of-the-art tertiary-level eye hospital in Varanasi. This marks a significant shift from camp-based care to a permanent, advanced and inclusive model of eye health for underserved communities across Varanasi and the wider Purvanchal region. The hospital will provide comprehensive consultations, advanced surgeries, specialised clinics, training and research—supported by a robust network of Sadguru City Eye Clinics and Vision Centers, which serve as tertiary-level advanced eye care hubs for early detection, community screening and seamless referrals.

“We gratefully acknowledge the generous support and invaluable contribution of the ICICI Foundation towards this mission.”

“Foundation laying ceremony of Sadguru Netra Chikitsalaya, Kashi — 28.08.2024

“ What we are building is more than a hospital — it is a promise. A promise that no individual in Purvanchal will remain in darkness for want of quality eye care. It is a vision for generations to come. ”

Educational Programmes

Chitrakoot & Anandpur

The Trust firmly believes in the value of education for all and it realizes that literacy largely contributes in bringing community to the mainstream of social life & economy. In order to provide quality & affordable education to the children of the economically weaker sections of the society, the Trust ventured into education and started with one school initially & gradually introduced higher education institutes to foster quality and affordable education to the children in the rural area. The Trust realized that an all-round personality development and grooming of our students is the core function of the school. Our holistic, creative and a diverse curriculum ensures a culture based learning for the future generation of India.

TRAINING & CAPACITY BUILDING IN EYE HEALTH

Strengthening Eye Health Systems Through Skilled Human Capital

Shri Sadguru Seva Sangh Trust remains committed to advancing eye health delivery by strengthening the skills and leadership capacity of professionals across India and neighbouring regions. Through structured training programs, peer learning platforms and targeted workshops, the Trust has fostered excellence in both clinical and operational domains of eye care.

Our training initiatives cater to a broad spectrum of participants - including ophthalmologists, allied ophthalmic personnel, nurses and eye hospital administrators - representing both government and non-government sectors. Emphasizing practical learning, all programs are designed to elevate clinical expertise, improve patient care systems and promote sustainable service delivery models.

“Training is not just about skills - it is about shaping systems, building confidence and multiplying impact. When we empower eye care professionals, we empower entire communities with the gift of sight.”

Dr. Elesh Jain
CEO & Trustee
Shri Sadguru Seva Sangh Trust

SNC, in collaboration with SEVA Foundation and LAICO, Aravind Eye Care System, hosted the Eyexcel Training Programme with participation from 11 leading eye hospitals. The training focused on strengthening institutional training systems in eye care through interactive sessions and collaborative learning. It was facilitated by Mr. Arun Acharya (Global Training Head, SEVA Foundation).

THE JOURNEY OF RASHI DWIVEDI

A Story of Hope and Independence

Rashi Dwivedi, an 18-year-old girl from a small village in Manikpur, Chitrakoot (U.P.), comes from a lower-middle-class family of seven. She lives with her mother and six sisters. A year ago, her father—the sole breadwinner of the family—was diagnosed with cancer, which led to a severe financial crisis. Despite support from her grandfather, the family couldn't afford the ongoing treatment and sadly, her father passed away. All their savings were exhausted during his treatment.

Currently, Rashi's grandfather is the only source of financial support. He runs a small ice cream shop, but due to mounting financial difficulties and the expenses incurred during his son's illness, the shop is now on the verge of shutting down.

With no stable income, the family considered discontinuing the daughters' education. Rashi resigned herself to household chores, believing her dreams didn't matter—until she learned about the Allied Ophthalmic Personnel (AOP) Training Programme at Sadguru Netra Chikitsalaya, supported by SCB & MFV. She enrolled, becoming the first girl in her family to step out for education.

Now undergoing structured training, Rashi is building a secure future.

“Before joining, I felt trapped in a life with no hope. But now, I feel alive again. This opportunity has given me a second chance. I want to complete the course, support my family—especially my mother and help my sisters continue their education,” says Rashi, with hope in her eyes.
