A Legacy of Compassion and Leadership

Shri Arvind N. Mafatlal, a figure renowned for his compassionate and visionary leadership, began his transformative journey under the mentorship of Gurudev, Param Pujya Shri Ranchhoddas Ji Maharaj. Achieving considerable industrial success by the early 1960s, Shri Arvind Bhai's life took a significant turn during a visit to Ranka, Bihar. There, he witnessed the famine relief efforts led by Gurudev and his disciples. This experience, coupled with receiving Gurudev's darshan, profoundly impacted him and solidified his resolve to dedicate his life to humanitarian service. This critical encounter marked the beginning of Shri Arvind Bhai's commitment to making a substantial difference in the lives of those in need.

Shri Arvindbhai and Smt. Sushilaben with Gurudev

A LIFE COMMITTED TO SERVE HUMANITY

Following his spiritual awakening, Shri Arvind Bhai took diksha from Gurudev and began to actively participate in various relief activities, including organizing eye camps under Gurudev's guidance. When the time came to establish the trust, Gurudev appointed Shri Arvind Bhai as its founding chairman, recognizing his dedication and leadership qualities.

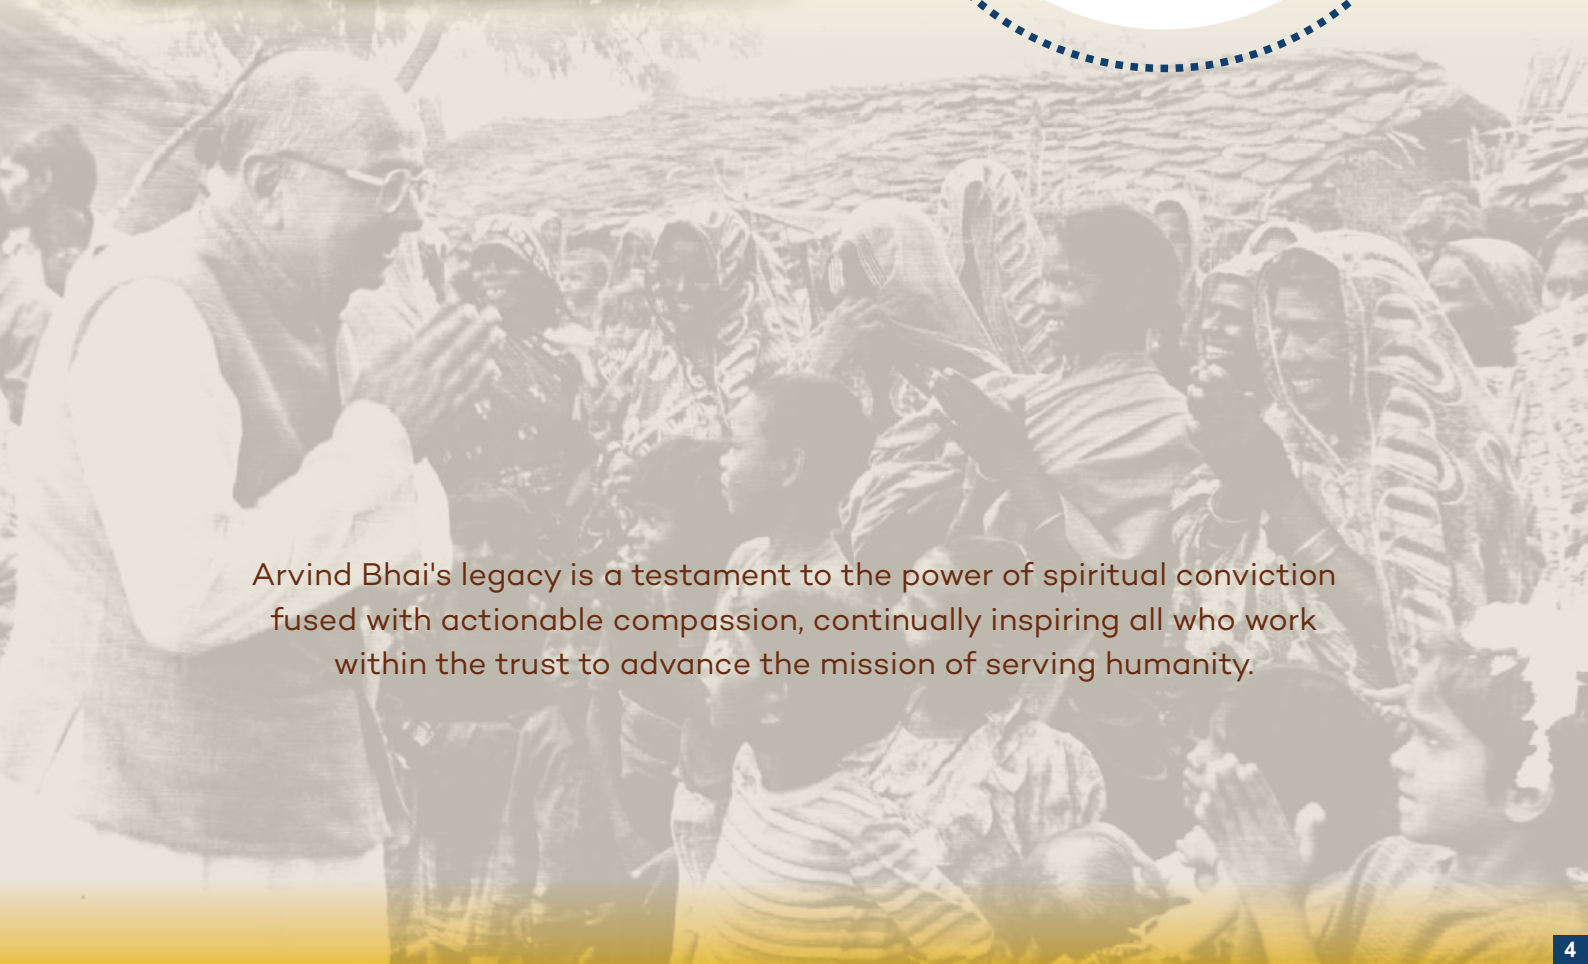

Reflecting on his role after Gurudev's demise in 1970, Shri Arvind Bhai often stated,

“

"Gurudev himself is the soul of the trust, and his teachings are the framework within which we operate. My role is merely to serve his vision as faithfully as possible."

MEASURING THE IMMEASURABLE: A CASE STORY OF LASTING INFLUENCE

Varsha Singh's Journey of Hope and Healing

At just 11 years old, Varsha Singh from Mahgavan, Shahnagar in Panna, Madhya Pradesh faced life with an unimaginable challenge—was blind due to congenital cataracts. In a heartening display of community outreach, a Community Health Worker discovered Varsha during a door-to-door screening, setting her on a path to regain her sight.

With the support of SSSST and our partner organisations, Varsha underwent successful cataract surgeries at our hospital, completely free of charge. Today, Varsha not only sees the world around her but thrives in it—attending school, engaging with friends, and embracing daily activities with newfound independence.

.....

“From shadows to sunshine, Varsha's story exemplifies the profound impact of compassionate healthcare. Each intervention we make ripples through lives, restoring not just sight, but hope, dignity, and potential.”

.....

The Sadguru family extends heartfelt gratitude to each of our supporters. Your contributions fuel our multifaceted mission, supporting initiatives from schooling and eye care to women's empowerment and beyond. Every support sparks change, not just by restoring sight but by empowering lives and fulfilling dreams.
