History

1950

A Visionary Move!
It was in the year 1950, Gurudev with his followers spearheaded the movement of voluntary service by organizing a free eye camp at Chitrakoot. In spite of having all the difficulties and absence of basic facilities, the team was able to perform around 950 cataract operations through the camp. Today Sadguru has completed its 101st Tara Netradaan Yagna.

1968

The beginning of a new era!
These efforts gradually converged into establishing a formal institution “Shri Sadguru Seva Sangh Trust” (SSSST), under the chairmanship of late Shri Arvindbhai N. Mafatlal. The trust was formally established in the year 1968 at Dhar, Indore in Madhya Pradesh, India.

Story so far ....
Over the years, the organization has grown to great heights and has become one of the largest rural non-governmental organization, actively delivering in the integral areas of socio-economic development.

The name of the Trust amalgamated the core principle of ‘SEVA’ (Selfless Service) and the ideal of righteousness. His principles and ideology have continued to be the guiding strength for the Trust and its multifarious activities.

SUCCESS STORY......

SCHOOL SCREENING

Rudraksh, a six year old boy, is residing in Hardua village, Majhgawan block, Satna district. He is studying in the first standard in a government school (Primary School, Hardua). His father runs a small shop in the village and his mother is a housewife. His uncle informed that we were not aware about his eye condition, as Rudraksh never told them about the same. He added that during the school screening being done by the team of Sadguru Netra Chikitsalaya, Rudraksh was referred to Chitrakoot hospital with a referral card. After their visit to the hospital and performing detailed examination by the doctors and informed that his child is having hypermetropia with a vision 3/12 in both his eyes since birth. After the examination, counselor informed his uncle that he can again recover his vision with a simple pair of spectacles. This has brought a joy in the face of his uncle as well as Rudraksh.

"Now I can study and become a doctor"
The team of 100+ members of Sadguru Family from Sadguru Annapurna Kitchen is acting as the backbone of the Shri Sadguru Seva Sangh Trust at both Chitrakoot and Anandpur.
