PATIENT SUCCESS STORY

A sudden strike by an arrow into the eye of Ayush while playing, lead him into the world of severe pain and dark. Being aware of suffering and pain due to his Tuberculosis problem since last six years. Mr. Bhole father of Ayush didn't wanted his child to go through the same. Therefore, with lot of difficulty he took Ayush to the nearby Banaras Government Hospital. Where he was diagnosed with corneal tear and Mr. Bhole was informed that the child requires a surgery and also mentioned that it is difficult to perform a surgery in their hospital as they are lacking with equipment and anesthesia. Hence, referred they the child to Sadguru Netra Chikitsalaya Chitrakoot. His father was puzzled with the thoughts of finance and transportation issues, but his family supported him and made required arrangements as they were much concerned about Ayush's future and thus decided to visit SNC.

Centre for child eye care (CCEC) of SNC, had again screened Ayush for his problem were along with the corneal tear a pus formation in retina (Endophthalmitis) was diagnosed. Therefore, understanding their family financial circumstances, SNC supported the family and performed the required surgeries on Ayush. Performing consecutive surgeries on Ayush, concerned his relatives but later after the surgery when Ayush was relieved from pain and started to see the thing clearly, eased them from all of their mental and emotional strains. SNC supported a Five-years-old child from deterioration to restoration of his sight, so that he could go further and make a bright future.
