Patient Story

ANANDPUR

Pre op

Post op

Kesarbai lives along with his husband and married son. The family derive their income by doing physical labor on fields of others. Due to diminished vision she was having difficulty in seeing distance objects and her mobility was restricted. She has visited one government optometrist in nearby town who has referred her to Sadguru Sankalp Netra Chikitsalaya. She came to Sadguru Sankalp Netra Chikitsalaya on 22nd December where on examination, she was diagnosed with Cataract in both eyes and was admitted for surgery. She was discharged on the next day after surgery and is now very happy to regain her vision.

Patient Story

CHITRAKOOT

Before

After

Prior to visiting at our Sulemarai vision center, Shobha complaining of blurry vision. Due to her economic weak background, she was trying to avoid visiting any hospitals in the city, as visiting to an eye doctor would cost her approx. Rs. 500-800 respectively. During our visit in the community by our Community Health Worker (CHW), she met with Sobha and informed her about our vision center located nearby her home in Sulemsarai locality. Post examination by our Optometrist at the vision center, she was diagnosed refractive error and was prescribed with a spectacles. she was very much satisfied with the services being offered by our dedicated staff stationed at the vision center and she also thanked to our CHW respectively.
