Gift a Vision

A Gift - in the end, it is all about Love.

About compassion that touches the soul.
Being angel for someone with no expectations.

We get - what we give.

Providing Sight to the Blind is the mission of Sadguru Seva Sangh Trust. The prevalence of blindness is common among rural people; especially women and under-privileged. Be the part of this movement with Sadguru- ensuring that no person suffers from avoidable blindness.

Bringing back the lost vision. Just like love that finds a way before it loses its own.

Help Now!

Gift a Vision

A cataract surgery will be performed on behalf of the donor every year.
